

POWER of

46th Annual Conference
Association for Healthcare Documentation Integrity

August 7-9, 2024

POWER of WORDS

AHDI's incredible transformation journey continues! Over the past few years, we have "Broken Boundaries," "Built Bridges," "Spread Our Wings," and "Soared to New Heights." We continue to welcome healthcare documentation specialists working in a wide variety of new and traditional roles from around the world to our community, and not just those who work in healthcare for humans but in veterinary care as well! AHDI launched its newest credential at last year's conference: the Certified Veterinary Healthcare Documentation Professional (CVHDP) and partnered with VCA Animal Hospitals to offer a Veterinary Healthcare Documentation course that will help candidates prepare for the exam. Veterinary scribes are in high demand, and this is one more way we can put our unique set of skills to work!

Once again, AHDI is proud to offer an unparalleled virtual conference experience that has been refined over the past five years. We are confident that HDIVC24 will deliver the same high-energy, high-quality experience you have come to expect! Don't miss this opportunity to showcase your brand by supporting this event. Join AHDI members and nonmembers, students, and professionals from healthcare documentation-related fields worldwide as they convene August 7-9, 2024. Our virtual platform offers attendees, sponsors, and exhibitors a way to meet, connect, and learn from the comfort of their homes/offices no matter where they live. HDIVC24 is an interactive experience that offers on-demand educational sessions, discussion forums, live chats with presenters, and the opportunity to network with attendees, sponsors, exhibitors, and more.

We appreciate your support and hope you will take advantage of this opportunity to network with those who have dedicated their careers to the integrity of healthcare documentation. Multiple levels of support and advertising options are available to ensure a good fit for any budget. Our Operations Manager, Tina Wilson, is happy to help customize a package that works best for you.

Once again, we look forward to "seeing" you this summer. Please contact us with questions; we are happy to assist.

Sincerely,
Sheila Gusten

EXPANDED MARKET – Going virtual opens the door for a larger audience globally, as attendees no longer need to travel to an onsite location.

NO TRAVEL – Access the conference from the comfort of your office or home, on your own time – and save \$\$\$ by avoiding travel expenses.

CUSTOMER LEADS – Easily capture customer leads with interactive polls as well as interacting with attendees on forums.

IMMEDIATE VISIBILITY – Put your brand and company name directly in front of attendees.
