

Fellow Application

Being a Fellow of the Association for Healthcare Documentation Integrity signifies you have achieved a balance of successful activities in your profession that goes far beyond regular transcription practice.

The criteria adopted by the AHDII Board of Directors, which AHDII members must meet in order to earn the designation of AHDII-Fellow, strengthen the fellowship designation, enhancing its prestige and value to those who earn the right to use the initials.

How to Become a Fellow of AHDII

To become recognized as an AHDII-Fellow, you must earn at least 50 fellowship points in the five years immediately preceding the application and be a “Individual Professional” member as set forth in the AHDII bylaws at the time the application is submitted. These points may be earned in eight different categories as shown on the application and must be earned in at least five categories.

There is a limit to the number of points you can obtain in each category. Thus, qualified fellows must demonstrate a balance between practice duties, professional experience, leadership, and community involvement. When filling in the application, please include all activities/accomplishments that pertain to the category, however, enter only up to the maximum points allowed for that category. As a result, to be an AHDII-Fellow, a successful candidate is active in and knowledgeable of many areas, not just one or two.

How to Maintain Your AHDI-Fellow Status

Once you have earned the designation of AHDI-Fellow (AHDI-F), you no longer have to earn or report points. To maintain your AHDI-F you must maintain your AHDI Individual Professional membership and your AHDI credential. If you retire from the industry, you may become a Sustaining member and continue to use the AHDI-F designation. If you are no longer working in the industry, you may also choose to retire your credential and maintain your AHDI-F as long as you have an active AHDI membership. You will lose the right to use the AHDI-F designation if your membership or AHDI credential lapses.

Fellow Application

To be considered for this prestigious honor, please examine the eight categories for fellowship. As you earn points within the different categories enter them on the application. As soon as you have earned a total of 50 points, in at least 5 of the 8 categories, complete the application and send it, along with the non-refundable application fee, to AHDI, Attn: Tina Wilson, Operations Manager, 3430 Tully Road, Suite 20 #112 Modesto, CA 95350. If you have any questions, please do not hesitate to contact AHDI.

Remember, the 50 points must be earned within the five years immediately preceding the date of application, and your membership in AHDI must be in the "Individual Professional" category.

In the event that your application is reviewed and denied approval, you will receive a letter detailing what is needed to be approved. You will have one year from the date on the denial letter to resubmit your application at no additional fee. After that date, you will have to reapply and include the \$100 non-refundable application fee.
