President's Message: Summer Begins!

I don't know what the weather is like where each of you lives, but I can tell you that here in the Arizona Sonora desert, summer is upon us with a vengeance! Temperatures here have been between 100 and 110 degrees already this summer, and the summer solstice doesn't occur until June 21st! I truly hope that the rest of you have it at least a little cooler this month.

Here at AHDl things are heating up as well. Voting for our new 2024-2025 term Board of Director members is coming to a close, and I will be as excited as you are to learn who wins and who will join me and the other directors in September to lead AHDl through another great year. I hope you all got your votes in! [READ MORE.](#)

Join us for a virtual charcuterie workshop where you will learn the art of crafting an impressive charcuterie board. Our expert instructor will guide you through selecting a variety of meats, cheeses, fruits and accompaniments, along with tips for a beautiful and balanced presentation. The workshop can be as interactive as you like. You can simply sit back, watch and enjoy or gather the ingredients beforehand and build your own board along with us. Workshop kits consisting of the dry ingredients can be purchased from our online store. The kits include a plate, crackers, jam, honey, and nuts. We also send out a shopping list in advance for all ingredients needed.

There is NO fee to apply or participate! Vendors are asked to donate a prize valued at \$50 or more to be used in a drawing held during conference and assumes any shipping expenses. We also encourage Vendors to offer an Event Special to conference attendees during the event.
