President's Message: *Surviving Summer and Other Stress*

It is that supremely sizzling season of the year in the northern hemisphere – sweltering summer! Here in the Arizona-Sonora desert, temperatures are averaging 110 degrees Fahrenheit almost daily, except for those days when we get flash flood warnings from summer monsoons. We desperately need the rain, but getting inches of it at a time on our draught-hardened landscapes creates often dangerous situations in traffic. [READ MORE.](#)

Random Acts of Kindness

What better way to pay it forward by helping someone in need! When hardship impacts our career and earnings, belonging to and being active in an association can be a crucial ingredient in plotting our next career move. By pooling our funds together, we can help fellow HDSs gain access to the valuable continuing education, tools, and relationships available through membership to propel them to the next great opportunity.

Contributions can be made in any amount and applications may be submitted any time. [Please visit our website for complete details and consider paying it forward or applying today.](#)
